- Contents: In cooperation with the State of Upper Austria, the Regional Management of Upper Austria and Euregio, the European Youth Forum Neumarkt will be hosting the EYFON YouthDays "Euregio 3" for the first time. 2023 is the "European Year of Skills", therefore we offer a varied program on the topics of sustainable education, future skills, personal strengths and European mobility programs. In particular, the role and future of the regions in the European context and the opportunities for young people should be addressed. In addition to pupils and students, we would also like to address young people in (vocational) training. Together with workshops and lectures, a varied leisure program in the Zirbitzkogel-Grebenzen region will ensure balance and cohesion and strengthen intercultural understanding.
