In cooperation with the Styrian Chamber of Commerce, the European Youth Forum Neumarkt will be hosting the EYFON YouthDays "Your skills – your future" for the first time. 2023 is the "European Year of Skills", therefore we offer a varied program on the topics of sustainability in general and sustainable education, future skills, personal strengths and European mobility programs. In addition to pupils and students, we would also like to address young people in (vocational) training. Together with workshops and lectures, a varied leisure program in the Zirbitzkogel-Grebenzen region will ensure balance and cohesion and strengthen intercultural understanding.
